General Info for Coffee Sleeves

The image will take on the shape of the cup and look tapered or slightly distorted. We add a 5% arc so that when the sleeve is opened the art will maintain its appearance.

Distortion is noticeable with straight lines, lines of text and large solids.

Because the corrugated surface is textured the imprint may show subtle tonal changes that appear as printed lines.

The ship date will be 5 business days after signed proof approval for up to 5,000 pieces. Any delay in approving the artwork may affect your in hands date.
